

Five days / Douglas Kennedy

Livre

[Kennedy, Douglas \(1955-....\)](#). Auteur

Edité par [Hutchinson](#) - 2013

From the Sunday Times bestselling author of *The Pursuit of Happiness* and *The Moment* comes a poignant and profound American love story. How long does it take to fall in love? For twenty years, Laura has been a good wife and a good mother. She's supported her husband through redundancy, she's worried about her son, she's encouraged her daughter. She's stopped thinking about all the places she'd like to go and all the books she'd like to talk about. She's not unhappy, exactly. She's not that self-indulgent. As anyone would tell you, Laura is wonderfully constant, caring, selfless. She's certainly an expert at putting on a brave face. But a chance meeting in a hotel lobby - and the five days that follow - remind Laura of the young woman she used to be - and the woman she could have become. Is it ever too late to have the life you wanted? Or do we owe it to ourselves to pursue the promise of happiness? From 'the absolute master of love stories with heart-stopping twists' (*The Times*), *Five Days* is a compelling novel about how life can change with one brief encounter.

It ends with us / Colleen Hoover

Livre

[Hoover, Colleen \(1979-....\)](#). Auteur

Édité par [Simon & Schuster](#). London - 2016

Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town in Maine where she grew up - she graduated from college, moved to Boston, and started her own business. So when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life suddenly seems almost too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily, but Ryle's complete aversion to relationships is disturbing. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan - her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. With this bold and deeply personal novel, Colleen Hoover delivers a heart-wrenching story that breaks exciting new ground for her as a writer. *It Ends With Us* is an unforgettable tale of love that comes at the ultimate price

Note

- Sequel to: *Never never*
